EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.
2. Authorization for this examiner's amendment was given in a telephone interview with the attorney, Daniel Bliss, on May 10, 2006. Attorney opted to cancel claims 1-11 to render an allowance on the application.
3. Claims 1-11 are cancelled.
4. Claims 12-20 are allowable.

REASONS FOR ALLOWANCE

5. The following is an examiner's statement of reasons for allowance: As per claim 12, the prior art fails to teach a phase-change cooling system for a vehicle comprising a power source, an electronic control device for receiving power from the power source and having a first temperature, and specifically, a condenser of an air conditioning system of a vehicle having a thermal interface contacting the electronic control device and having a second temperature less than the first temperature to remove heat from the electronic control device due to a phase-change of coolant in the condenser. As per claim 20, the prior art fails to teach a vehicle comprising a power source, at least one electric power cable having one end connected to the power source, an electronic
